

What is great? Content, about life, beautiful, etc

everything about it is great; nothing catches your eye

multi-plot novel, 2 main stories (never meet), 7 main characters

wonderful rhythm (music, like butterfly), plays with order of events

every character is unique, stay that personality, paradoxical things, makes sense

Vengeance is mine; I will repay

Devil: threat, cross me and you will suffer / commit adultery, you will pay

Paul: we not qualified to judge, loved to learn, let God worry about it

Only I may be happy, anything else to be unhappy / literature about human unhappiness

happiness is boring to hear about

unhappy, I wrote for perfect man, everyone is a stranger

Good Family - together
cohesive
loving
unity
intimate
intense need for
trust

Stebk = very happy, like a child

Don Giovanni - adulter who gets punished / subconscious warning

dream women - small objects, decanters, empty wine vessels

treats everybody equally = treat wife like just another person

Learn to live with kitty, it's complicated

top 2 will secretly play on in back, "Psychology based on biology"

Soul cares about others, Body is about me
