

p 201: Kitty @ spa, Varenka atone with herself / Christian Love, Kitty thinks it's all fake
mother is invalid, father thinks she pretends because doesn't like legs, mother is bad, around Varenka =
discredits Christian Love, wasting efforts on a useless cause, ↑ pseudo-super pious

Varenka looks wise because of the mother, saying = no passion (no personality), feeling love = trouble dealing w/ mother,
Tolstoy same basic stance (Lovers vs. Anna)

failed at romantic love, try Christian Love / feel noble without being happy, only because want to hide
Kitty gets angry at Varenka, V doesn't want to tell about Petrov, Kitty calls V a humbug (fake)

V is not saying everything, K gets used, K trying to get away from ego → (Christian Love = still has ego)
adultery is bad, family is good, communication @ 20m

be sincere

Levin in Moscow or estate, happier on estate, closer to humanity in Moscow ← high society

summary @ 27m = can't see world as he 100% devoted to family, likes human contact, being able to talk
w/ everybody, similar to Anna, should we retreat into our shells, love just one person, or be in between?

p. 135 - Anna feels guilty, God won't forgive her, turns to Vrascky

p. 137 reader sympathizes w/ Levin, heart burning w/ passion

p. 136 - bad, good, bad → speechless, vulgar = common, don't want to cheapen feeling, Anna emotional

Anna does the 'right' thing, but it requires adultery, Anna and Levin = dividing line between good & bad

p. 139 Levin excited, passion is life, like him for not doing anything = can't be seen

like Levin because Tolstoy sympathizes, deep inside @ 57

Anna from outside, what is she thinking, irrational & frustrating to deal with

horse race, before V & A → pregnant (fake), goes to race, looks like he's winning, suddenly loses

move camera to another side of race, Anna and Karenin, K sees A & V, see insight into V personality

descriptions of Frolov, Gladiator wins (looks like K), subliminal feelings (DOOM)

Why V have problems? ahead, then relaxes, everybody telling him to keep mind on race

going to see Anna got him in trouble, relaxes because tired & thinks he won (enjoy victory) ← can't enjoy adultery
